JERICO PRODUCTS, INC., a California
Corporation,

Plaintiff,

v.

SONOMA MARIN AREA RAIL TRANSIT
DISTRICT, a regional transit district

Defendant.

Case No. C 05 00210 JSW

**STIPULATION AND [PROPOSED]
ORDER STAYING ACTION UNTIL
NOVEMBER 1, 2007 CONTINUING
CASE MANAGEMENT CONFERENCE**

STIPULATION

It is hereby stipulated between the parties, plaintiff Jerico Products, Inc. (JERICO) through its attorneys and defendant Sonoma Marin Area Rail Transit District, SMART (SMART) through its attorneys, that this action be stayed in its entirety until November 1, 2007.

Following a settlement conference last September with Magistrate Judge Bernard Zimmerman, the parties have entered into a settlement agreement. This is an unusual case in that the settlement does not require a monetary payment, but requires the parties to undertake certain actions. The parties' agreed obligations will continue through at least November 1, 2007.

In the interim, JERICO and SMART jointly request that this Court retain jurisdiction until at least November 1, 2007, in the event of a dispute concerning the parties rights and obligations under the settlement agreement. To that end, the parties submit this Stipulation and Proposed Order Staying the Action Until November 1, 2007.

Should a dispute arise requiring Court intervention, the parties shall submit a Stipulation and Proposed Order to Lift the Stay of the Action so that the Court can resolve any potential disputes among the parties concerning the replacement of the Black Point Bridge and related matters which may arise during the course of the replacement process.

Respectfully submitted,
